Resident correspondents without equipment may wish to enter at the 42nd Street and 1st Avenue or the 47th Street and 1st Avenue pedestrian entrance with their United Nations-issued grounds pass. Please note that these

arrangements will not apply during the period of the high-level meetings and the general debate.

9. Kindly note that members of the media must be escorted by staff of the Media Accreditation and Liaison Unit at all times within restricted areas, as well as in the North Lawn Building.

Access to restricted areas

10. In accordance with established procedures, the 2nd floor of the General Assembly Building is reserved for members of delegations and United Nations staff conducting official business in those areas. In all cases, valid United Nations grounds passes will be required. Representatives of non-governmental organizations will have no access to the restricted areas, and their access to meetings at Headquarters will be honoured upon verification of a valid United Nations grounds pass and appropriate ticket issued for the day's meeting(s).

11. Access to the 2nd floor of the General Assembly Building will be permitted only upon presentation of the appropriate colour-coded secondary pass, together with a United Nations grounds pass. Secondary passes will be issued by the Pass and Identification Unit to executive offices/administrative units, in accordance with the agreed arrangements. Grounds passes and secondary passes are subject to verification by security officers and must be worn prominently on the outer clothing of the bearer at all times.

12. Staff members, interns and representatives of non-governmental organizations will be afforded access to the fourth balcony seating areas of the General Assembly Hall and conference rooms upon presentation of their United Nations grounds passes. During the general debate and high-level meetings, tickets specifying the date, time and location of the event will be required for entry.

Admission of non-United Nations persons

13. An information assistant will verify all appointments by contacting the respective staff member. Staff members are required to meet their parties and sign them in. Furthermore, staff members must escort their visitors and guests at all times when they are in United Nations buildings. Visitors and guests, including children over the age of 17, will be required to submit a personal identification card bearing a photograph to the security officer stationed at the information desk. In order to avoid any inconvenience, visitors and guests should be informed in advance that photo identification is required.

Parking

14. Parking for staff members in the garage will be limited to those who possess a regular parking permit. Parking permits must be readily visible to security officers at entry points and prominently displayed while the vehicles are parked within the Headquarters premises. Vehicles not displaying a valid permit may be towed off the premises for security and safety reasons. Passengers who are not in possession of a valid United Nations grounds pass will be required to depart the vehicle at the appropriate checkpoint prior to the entry of the vehicle onto the premises.

15. All vehicles entering the garage are subject to search. It would therefore be appreciated if staff members were to limit the quantity of items carried in their vehicles in order to facilitate and expedite the security clearance process.
